

# Where to Spend Decoration Day

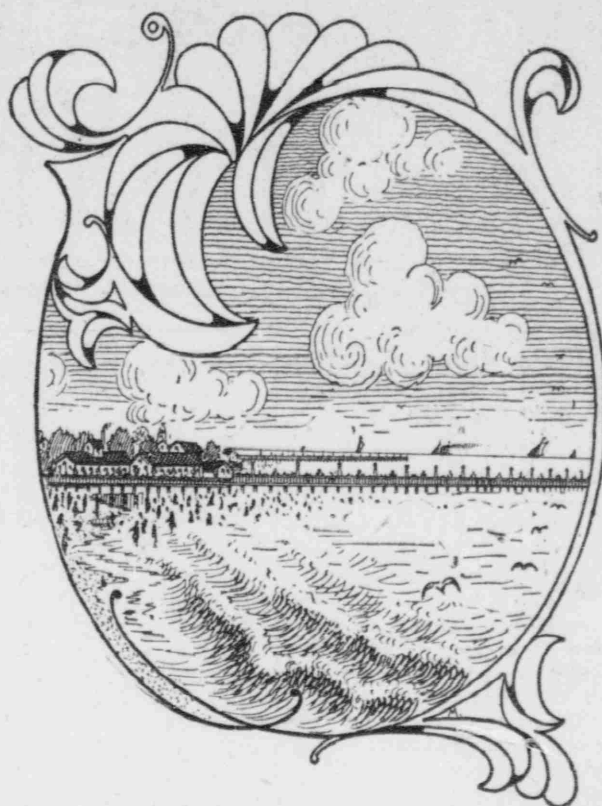

## Historic Great Falls of the Potomac

WASHINGTON'S NIAGARA

Is surrounded by the grandest natural scenery east of the Blue Ridge Mountains. More magnificent by night than by day. These Falls are brilliantly illuminated every night by ten powerful searchlights; must be seen to be appreciated. Music and dancing every afternoon and night, and other amusements. There are ladies' maids, tables, free swings for the children, and guests will be agreeably surprised at the many unexpected comforts and conveniences which have been provided for them. Hundreds of families visit this place daily, and if you go once, you will certainly go again, and take your friends. You will have a delightful outing.
